Grand Opening
MANSELL CAMPUS
SEE PAGE 12
As the leaves on the trees start to show shades of orange, red and yellow, spend a moment with me to consider the changes that the Atlanta Humane Society is embracing and the crescendo of excitement for our next season.

As we look towards the future, as the incoming President, I invite you to celebrate the successes of the past year. In 2011, Atlanta Humane Society will adopt more than 5,000 pets into loving homes with families throughout Georgia. We will complete more than 7,500 spay/neuter procedures thanks to the expanded availability of our Low Cost Spay/Neuter Program and the Surgical Utility Vehicle. These initiatives as well as many others are only possible due to the ongoing support of our donors and our community.

Our efforts are certainly not going unnoticed. This fall, Charity Navigator, America’s premier charity evaluator, awarded Atlanta Humane Society its coveted Four-Star Rating honoring our sound fiscal management and commitment to accountability and transparency. This is a true testament to the superior leadership and ongoing dedication of everyone that touches this organization – our staff as well as our volunteers. Every person (and animal) makes a difference.

Our largest (7.3 acres and 32,000 square feet) achievement this year is on the near horizon. Join me at the grand opening of the Mansell Campus on December 3. Our new, state-of-the-art animal rescue and adoption center expands our services and outreach to the North Fulton region. Currently, only 5% of adopters at the Howell Mill Campus reside in this area. We expect the activity at the new campus to result in loving homes for more than 5,000 animals in 2012 – essentially doubling the number of adoptions from the Atlanta Humane Society.

Without the support of our community, the Mansell Campus and our expanded outreach services would not be possible. Recently, we launched a Capital Campaign to raise $10 million to support the facility and operations of the Mansell Campus. I am proud to announce that we have already received almost $5 million in donations and pledges to date. I am deeply appreciative of the outpouring of support for this organization and invite you to consider sharing in our success with your financial support.

I have always had a heart for animals. As the Chairman of the Board for two terms and a board member since 2000, my passion for animals has emerged as a guiding principal in my life, which makes it an honor to be asked to serve as your President. I intend to build upon our successes and work side by side with our team to continue our mission and seek new opportunities that will make a significant difference in the lives of animals throughout Atlanta and across Georgia.

In closing, consider this. What is on your Holiday gift list? Does it include a pet adoption, a sponsor of a long-time shelter animal, volunteer time or even a financial donation? I hope that you will join me to celebrate a new season of the Atlanta Humane Society.

MANSELL * CAMPUS

Find Love, volunteer and donation opportunities at AtlantaHumane.org
As you may remember, August 2010 marked the advent of the Atlanta Humane Society’s mobile Low Cost Spay/Neuter program. Thanks to the very generous contributions of our board and donors, we were able to purchase a brand new, state of the art mobile unit equipped with stainless steel surgical and holding areas. In 2010, we were able spay and neuter over 400 pets in rural areas outside of the metro Atlanta area, and this year we are making an even greater impact!

In July of 2011, the Atlanta Humane Society received additional funding, thanks in large part to a remarkable donation from the Holland M. Ware Foundation, to expand this initiative by launching the Holland M. Ware Foundation Spay/Neuter Program. Each week, our surgical team travels outside of the metro Atlanta area to perform approximately 200 surgeries per month. In addition, the Atlanta Humane Society also hosts a low cost spay/neuter clinic every Friday and Saturday onsite at the Howell Mill campus to perform an additional 280 surgeries monthly. With the recent expansion of this program, we plan to spay/neuter approximately 2500 pets by the end of 2011 – and over 5000 pets in 2012!

This low cost spay/neuter program is an integral part of lowering pet overpopulation rates by reducing the amount of unwanted pets born in the State of GA. The goal of this program is to provide a much-needed service to underserved communities in metro Atlanta and its neighboring counties, and to contribute directly to lower pet euthanasia numbers in overcrowded shelters and the amount of pet surrenders overall.

Pet sterilizations offered through this program are just $20, and include a complimentary rabies vaccination and microchip. To read more about this awesome program, schedule an appointment, or receive information on how you can contribute to the success of this life-saving initiative, please visit AtlantaHumane.org/suv/.

Atlanta Humane Society to open second shelter in Alpharetta

By Nedra Rhone, The Atlanta Journal-Constitution

For the first time in its 138-year history, the Atlanta Humane Society will open a second location later this year.

The 32,000 square-foot facility on Mansell Road in Alpharetta will allow Atlanta’s oldest private charity to adopt twice as many animals and hire about 50 people to staff it.

Funding for the $8 million-plus campus, which opens Dec. 3, has come from low-interest loans and a $2.5 million gift from Anne Cox Chambers, a principal owner of Atlanta-based Cox Enterprises, which owns The Atlanta Journal-Constitution.

“The gift is really enabling in terms of making this adoption center a reality,” said William Shaheen, who recently took over as AHS president. “Our board, of which Mrs. Chambers is a Honorary Life Member, has been very supportive of the Mansell Campus in spirit as well as financially.” The AHS plans to name the adoption center in Mrs. Chambers’ honor.

“I am so happy to be associated with this new center,” said Mrs. Chambers, who has adopted three pets from the AHS. “Anything that encourages other Atlantans to discover the joys of pet adoption is very welcome indeed.”

Located on the former site of the Cherokee Ford dealership at 1565 Mansell Road, the new facility will have four cat colony rooms, 32 puppy kennels and 78 large dog kennels. The 7.3 acres will provide more green space than the AHS’ location at 981 Howell Mill Road, enabling animals and potential families to comfortably interact outdoors.

Shaheen said the new location will allow the AHS to double the up to 6,000 adoptions and 8,000 spay and neuter procedures performed each year. The organization, which seeks to prevent abuse, cruelty and exploitation of animals, will also use the new campus to deploy its animal rescue teams and surgical utility vehicle, a mobile spay/neuter unit.

The decision to locate the new facility in north Fulton County was driven in part by the area’s low level of adoptions — less than 5 percent of the AHS total — Shaheen said. In addition, residents in the area tend to have large yards, enabling them to adopt bigger dogs that may be harder to place.

1873 Society Club
THE HUMANE EVENT

The 1873 Society Club hosted its second annual fundraising benefit, The Humane Event, on Friday September 23, 2011. Led by co-chairs, Rebecca Bily and Sam Henderson, the event raised over $65,000.00 for Atlanta Humane Society’s H.E.A.R.T. activities. The soiree took place at the stylish and wonderfully unique Summerour Studio in Atlanta’s West Midtown district. Party goers sipped signature margaritas, indulged in an Avion tequila tasting and enjoyed gourmet Mexican fare from Taqueria Del Sol. 1873 Society Club honored Anna Ware and Greg Norred for their extensive contributions to animal welfare as well as the H.E.A.R.T. team and then guests danced the night away to a live performance by Atlanta-based band, Kingsized. Other highlights included on-site tours of the surgical utility vehicle, a guest appearance by precious pups from Atlanta Humane Society, an extensive silent auction and a fun, interactive photo-booth by ClikSimple.

For more information on 1873 Society Club and upcoming events and opportunities for involvement, please visit 1873 webpage at AtlantaHumane.org/1873 or their Facebook page at Facebook.com/1873SocietyClubAHS
No Ball At All 2012

It’s that time of year again! Yes, we’re preparing for No Ball At All 2012! The success of this event is entirely due to you, our loyal donors, and your help allowing us to continue providing the care and love our Society pets are so deserving of.

For those of you unsure what No Ball is exactly, a quick explanation. In a nutshell, it’s a non-event, meaning that all the money we raise goes to help our homeless pets instead of paying for the food, entertainment, and decorations for a fancy party.

However, if you do want to get together with fellow animal lovers, a No Ball At All Patron Party will be held next spring at the home of Lorri and Forrest McClain. This event is open to all donors who make a No Ball gift of at least $350 per person. Once again, Knox Jewelers is donating a custom-designed pin and Owen Lawrence is giving us a gift certificate that will be given away at the party, Johnny Cain has agreed to photograph the event for us, and Atlanta Flower Market is providing our centerpieces.

Invitations will be mailed out soon. However, you can also use the reply envelope in this newsletter to make a donation – just indicate “No Ball” on the envelope or the memo line of your check. You can also contribute online at AtlantaHumane.org or by calling 404-974-2877.

Thanks so much for helping us care for our Society pets while they wait for a new forever home!

Ladies Home Journal WE tv Volunteer Awards

Ladies Home Journal and WE tv found Amazing Women Volunteers! They selected two finalists, but the winner was chosen by you! Meet the WINNER - AHS’s own All Star Volunteer, Alison Bearman. She was nominated by fellow volunteer, Jana Cooper, with the following essay.

Alison volunteers six days a week averaging 30 to 40 hours per week. She’s worked in many capacities at the Atlanta Humane Society since 2002. No job is too big or too small for Alison. She regularly walks between 15 and 20 dogs a day. She cleans kennels, bathes dogs, picks up poop, and comforts sick, injured, or recently rescued dogs. She understands the needs of dogs who come from puppy mills or who are rescued from hoarders. She helps dogs who have never had a real home overcome their fears and insecurities so that they can become adoptable. One of Alison’s favorite ways to help the animals is by taking pictures of them to put on the AHS website. In this way, she speaks for the animals who have no voice and spreads the word about their need for a permanent home. Alison is tireless in her efforts. She never complains about the hard work and never brags about her good deeds. She quietly goes about her day, always putting the dogs’ needs before her own. Alison has no children but the hundreds of dogs she has helped are truly her family. All who know Alison respect her, and I can think of no volunteer more deserving than she to win your contest.

Alison, the GRAND PRIZE WINNER, won a $5,000 donation to the Atlanta Humane Society and will be featured in Ladies’ Home Journal.

Thank you to everyone who voted for Alison!!

“A CELEBRATION OF DOGS”

Atlanta Humane Society is happy to announce the second annual “A Celebration of Dogs” fundraiser. The event, at Bill Lowe Gallery on January 31, 2012 from 6:00 – 9:00pm, will be an evening of art, food and wine, benefiting Atlanta Humane Society. Bonham’s Auctioneers and Appraisers will bring a selection of the works which will be included in their highly successful auction “Dogs in Show and Field: The Fine Art Sale”, to be held in New York City in February 2012. Guests will meet renowned art specialist, Alan Fausel, who will discuss the works on display, the upcoming auction and offer an opportunity to pre-bid on auction items. Participants are also welcome to bring their collectibles for Alan to review. As a bonus, meet well known author and gallery owner William Secord, who will discuss art collecting.

We’d like to offer a special ‘thank you’ to the committee spearheading this event – Joanne Chesler Gross, Chair, Mary Moore Bethea, and Kay Quigley.

Friends For Life

Dear AHS,

I was looking for a cat in 2000—an adult cat who was already litter trained. I had gone through every cat there, or so I thought, until I came to the last kennel. Toby’s amber eyes captivated me, and when I picked him up, he put both of his paws around me like a hug. I then decided that he was the cat for me!

I got Toby when I was single, and he has been with me into marriage and the birth of my son, Sam. He is very gentle with Sam, who is now 2 years-old, more so than Sam is with him! Toby still sleeps with me at night, and is in fine health at 10 years-old. He is my buddy and I can’t imagine life without him.

Sincerely,
Christi Sizemore Behrend

Send us your Friend For Life photo and story. Mail to Atlanta Humane Society, Attn: HEART EDITOR, 981 Howell Mill Road NW, Atlanta, GA 30318. We are looking for stories about animals adopted from the AHS shelter who have been constant companions for many, many years. Please include your name, address and phone number for verification.

Pups with Santa

Has your pet been naughty or nice? Let Santa be the judge of that! Bring your pet to sit on Santa’s lap this holiday season and have his or her picture taken for the family holiday card. Santa will be at Atlantic Station’s Central Park on December 11th and 18th from noon – 6:00pm.

Atlanta Humane Society staff and volunteers, as well as staff from DOGUROO, will be on-hand to help parents and their pets pose for pictures and help with any issues that may be keeping your furry friend on the ‘naughty list.’

Visit AtlanticStation.com for details on photo pricing.

Mariel Hannah Award

A native of metro Atlanta, Mariel Hannah was a lifelong pet lover with a special affinity for homeless animals. Tragically, she was one of four people killed in a home invasion in March 2006. To honor the 18 year-old’s memory, her family and friends established a fund at the Atlanta Humane Society to recognize selfless acts by teenagers who share Mariel’s love for animals.

We are now accepting nominations for the annual Mariel Hannah Humane Heroes Award. If you know a teen between the ages of 13 and 18 at the time of service who performed an extraordinary act of kindness for the benefit of animals, briefly describe (under 200 words) how and why he/she should be selected as the 2012 Mariel Hannah Humane Heroes Award winner.

A recipient will be selected in April and announced in early May at the start of “Be Kind to Animals Week.” The recipient will receive a cash prize and a plaque of recognition.

Mail your nomination to: Cathy Sleva, Atlanta Humane Society, 981 Howell Mill Road NW, Atlanta, GA 30318. The winner will be acknowledged by mail and at our annual “Be Kind to Animals Week” Student Art Contest Awards Ceremony in May.

All nomination materials must be postmarked by April 1st, 2012 to be eligible.

WREN YU PRIMROSE SCHOOL created a box with their own mission of collecting donations for the animals, including items from our wish list.
The excitement is beginning to grow in North Fulton County as the Atlanta Humane Society’s second adoption center nears completion. AHS staff and construction crews are working feverishly to finalize the 32,000 square foot facility by the end of November, and then just in time for Christmas! A great selection of dogs and cats needing good homes will be introduced to the surrounding communities.

The AHS Mansell Campus will be located at 1565 Mansell Road in Alpharetta, conveniently close to GA 400. A Grand Opening Celebration is scheduled for 11:00 am on December 3rd.

According to AHS President William Shaheen, “The AHS Mansell Campus represents a vision by our Board of Directors and key partners to significantly expand our mission of saving as many animals as our resources, staff and financial ability will permit. Last year, AHS found homes for approximately 6000 cats and dogs through our Howell Mill Road location. Our goal is to meet or exceed that number at our Alpharetta facility, meaning that next year we hope to help more than 12,000 animals.

Situated on seven acres, there will be ample parking and plenty of exercise opportunities for the center’s dogs. The AHS staff is particularly enthusiastic about a one-acre exercise area, divided into four separate enclosures, where adult dogs and older puppies can run free on a special pet-friendly turf.

Like its Atlanta counterpart, the AHS Mansell Campus will offer a variety of pet-related services to the public. In addition to adoptions, there will be a Pet Facilitated Therapy program benefitting nursing homes, hospitals, and children’s centers. In addition, there will be free grief counseling sessions for owners who have lost their pets, professional dog behavior and training services, and a pet merchandise store. AHS’ Humane Emergency Animal Rescue Team (HEART) will also be based at the center.

Of course, ensuring quality care for so many animals presents its own challenges. AHS hopes that local residents will sign up for a variety of volunteer positions that will include walking dogs, socializing cats, assisting with the shop and reception desk, helping with events, and participating in administrative and fundraising activities. An online volunteer application is now available on the AHS website (AtlantaHumane.org) for people interested in such opportunities.

On October 5th, the AHS Facebook page launched a 60-day countdown clock that will end when the ribbon is cut at our Grand Opening Celebration on December 3rd.
Help us fund the new Atlanta Humane Society - Mansell Campus shelter. The AHS is actively in the process of raising $10 million from the community to fund the acquisition and remodeling costs for a new state-of-the-art shelter. Everyone can make a difference by making a contribution to help the animals. Please consider a donation today, and invest in this important community resource.

For information on sponsorship opportunities please contact Cathy Sleva, Senior Vice President Development at 404.974.2877.

A Special Way to Remember

If you would like to make a donation in memory of a deceased person or pet:

• Send your gift to A.H.S. 1565 Mansell Road, Alpharetta, GA 30009.
  A notation of “MEMORIAL” on the outside of the envelope will help speed the acknowledgment of your gift.

• Enclose a note with your check including the name of the deceased, whether the deceased is a person or a pet, the name and address of the family to be notified of your gift, and your name, address and phone number.

• The family will receive a card of acknowledgement, recognizing your gift to the AHS in the name of the deceased (the amount of your gift remains confidential). You will also be sent a note of thanks for your gift.

• Phone inquiries should be directed to 404.974.2876.

Thank you for remembering your friends and family in such a wonderful, helpful way!
Patrons treated themselves to breakfast, lunch or dinner out on the town to help the “Society” pets of the Atlanta Humane Society. The first annual “Tables & Tails” event took place on October 27, 2011 at the following restaurants around the greater Atlanta area. Some of Atlanta’s most popular eateries donated 20% of your check to the Atlanta Humane Society for general operating support and Humane Emergency Animal Rescue Team efforts.

Even in our relatively mild winters, dogs need protection from wet and cold, either inside your house (best) or inside their own. Dogs can freeze! Most small and short-haired dogs are best kept inside when it gets cold. An outdoor dog needs a winter coat and its dog house should be dry and elevated with clean, dry bedding and a flap over the opening to keep out drafts. Consider adding a dog door to the garage and a soft cushion in the warmest corner.

DIET - Check water bowls often when the temperature dips below freezing, and break the ice or refill with water as necessary. An outdoor dog may need more calories in the winter to produce body heat; on the other hand, an indoor dog may exercise less during the colder months and need fewer calories. Ask your vet about increasing or decreasing the amount you feed your dog.

CHEMICALS - Antifreeze smells and tastes great to dogs, but it is a deadly poison. Watch for radiator drainage spots in driveways and flush them clean immediately. Chemicals used to melt ice and snow on sidewalks can irritate your pet’s paws (and burn your pet’s mouth if it licks), so you may need to wipe them with a wet cloth after an outing. Pets outside in the snow may need the ice between their paw pads removed.

We’re excited that the Atlanta Humane Society has been chosen by our friends at Nestlé Purina and Kroger to participate in the 2011 “Tales for the Pet Lover’s Heart” program. The fourth-annual “Tales” campaign is a joint program between Nestlé Purina and Kroger stores to donate up to $175,000 to 20 participating animal welfare organizations across the country.

The campaign encourages pet enthusiasts to share joyful tales, photos and videos of their pets. In addition, we hope you will consider entering the campaign sweepstakes. Nestlé Purina and Kroger will donate $50,000 to one of the participating animal welfare organizations – it could be us! – in honor of one randomly selected person. The winning person will also receive a year’s worth of groceries at Kroger and a year’s supply of Purina pet food.

Just for participating in this campaign, the Atlanta Humane Society will receive a $5,000 donation. Also, for every pet tale submitted to the program website, www.TalesForThePetLoversHeart.com, Purina and Kroger will donate $1, up to $25,000, to be divided equally among the participating animal welfare organizations. So the Atlanta Humane Society has an opportunity to receive an additional $1,250 if 25,000 stories are submitted. We encourage you to log on to the website and enter your tale – you have an opportunity to support our organization and other worthy animal welfare groups around the country.

The “Tales for the Pet Lover’s Heart” campaign runs through November 2011. For more information, feel free to visit the program website, www.TalesForThePetLoversHeart.com, or Facebook page, www.Facebook.com/TalesForThePetLoversHeart. And thanks to our friends at Nestlé Purina and Kroger for including us in this program and supporting pet welfare.

**WHY get your pet micro-chipped?**

Micro-chipping is a safe, humane and inexpensive way to help find your beloved pet if he or she ever becomes lost. Often stray animals are brought into a shelter or a vet. Pets with chips can be scanned and their information tracked by a national data system that will tell where the pet is from and who he belongs to.

For a nominal fee of $25, you can have peace of mind if your favorite four-legged friend ever becomes missing while on vacation or even from your own back yard!

Microchipping is available at our veterinary clinic. Please call 404.875.6420 for more information.

Our veterinary clinic was made possible by the Carlos and Marguerite Mason Trust.
The Atlanta Humane Society is offering a fourteen month calendar featuring photos of our companion pet ‘Stars’ for the year 2012.

This compilation of pet photos truly is a tribute to pet ownership, and we thank everyone who submitted entries. Your pets are all Stars in our eyes!

For only $15.00 (tax and shipping included), you can enjoy these smiling Stars year round. The calendar may be purchased beginning in November by sending a check to:

ATTN: All Pets Allowed Calendar
Atlanta Humane Society
981 Howell Mill Road, NW
Atlanta, GA 30318

Calendars may also be purchased online, in the AHS Shop or by calling 404.974.2880.

AHS wishes to thank Artlite Office Supply Co. for sponsoring the 2012 All Pets Allowed Calendar.

Become a Foster Care Volunteer

Foster Volunteers:
