Winter 2025

atlanta hu♥ane society

Dear friend,

I am filled with gratitude for everything we've achieved together in 2024. You made it a year of incredible impact, and I'm excited to share some of the ways your support is making a difference in this issue of Heartbeat.

Your generosity continues to be the driving force behind all we do. Thanks to you, we've been able to expand our outreach programs and provide more support to families and pets during difficult times. These efforts not only ensure animals receive the medical attention they need but also help families stay together during crisis.

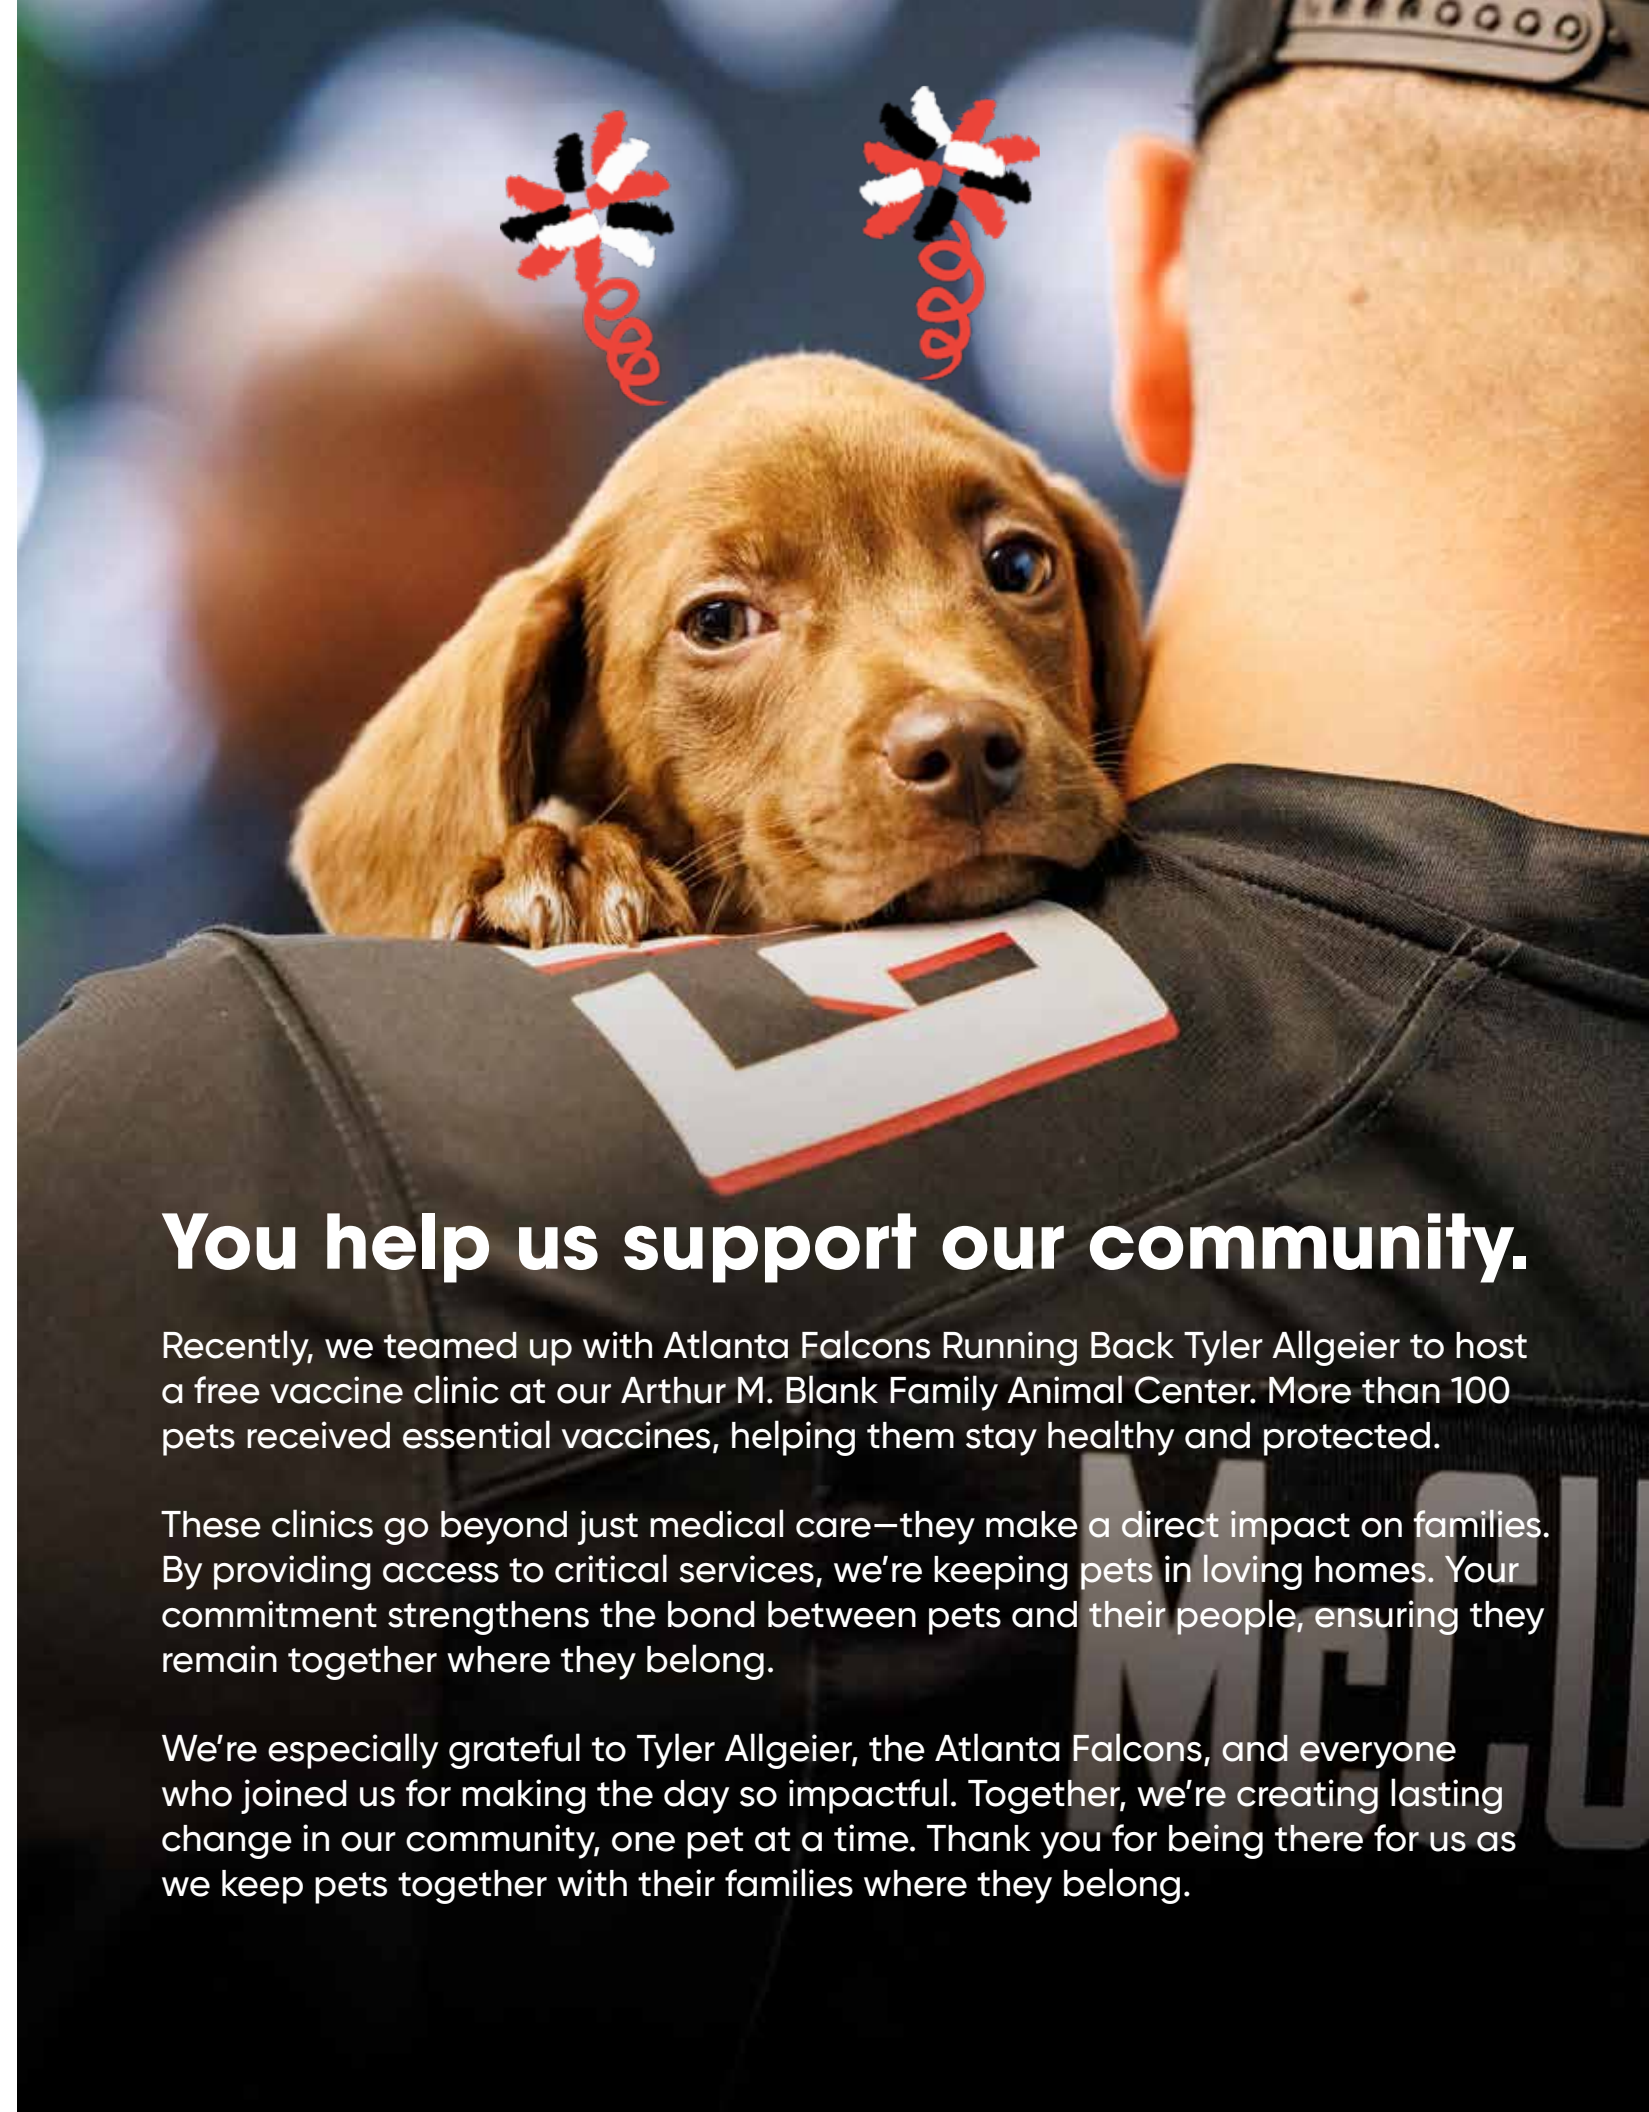

In 2024, your contributions made it possible for us to reach more communities, provide critical care, and find loving homes for so many animals. Every life changed is a testament to the compassion and commitment of supporters like you.

Thank you for your continued dedication to improving the lives of animals and the people who care for them. Together, we are creating lasting change and giving hope where it's needed most.

Thank you,

Cal Morgan
President and CEO
Atlanta Humane Society

You help us support our community.

Recently, we teamed up with Atlanta Falcons Running Back Tyler Allgeier to host a free vaccine clinic at our Arthur M. Blank Family Animal Center. More than 100 pets received essential vaccines, helping them stay healthy and protected.

These clinics go beyond just medical care—they make a direct impact on families. By providing access to critical services, we're keeping pets in loving homes. Your commitment strengthens the bond between pets and their people, ensuring they remain together where they belong.

We're especially grateful to Tyler Allgeier, the Atlanta Falcons, and everyone who joined us for making the day so impactful. Together, we're creating lasting change in our community, one pet at a time. Thank you for being there for us as we keep pets together with their families where they belong.

You Gave Me a Second Chance

Hi there, friend. My name is Lizzie, and I want to tell you my story. When I first arrived at the Atlanta Humane Society, I was scared and hurting. My ear had been torn off, and I didn't understand why my life had been so hard. I felt broken and alone.

But then something incredible happened: people like you stepped in to help me. Because of your support, I received the care I so desperately needed. The wonderful people at Atlanta Humane took care of my wounds and helped me feel safe again.

It didn't happen overnight, but little by little, I started to feel like myself. I learned to trust again, to play, and to love. Even though I'm missing an ear, I've discovered that it doesn't make me any less special. Now, I'm happier than I ever thought I could be, and I'm ready to find a family who will love me forever.

None of this would have been possible without you. You gave me a second chance when I needed it most, and I'll always be grateful. Thank you for believing in me and for helping so many other animals like me.

You Changed My Life

My name is Melody, and when I first arrived at Atlanta Humane, I was scared, hurting, and unsure of what would happen next. My tiny body was covered in painful mats, flea dirt, and sores. I didn't feel like myself anymore.

But then, because of kind people like you, everything changed.

I was brought to Atlanta Humane and I was safe. My wounds were treated and I received all the love I could have ever hoped for. Every day, I grew stronger.

Now, I'm completely healed and living my best life with a wonderful new family who adores me. I wake up every day feeling happy and loved, and it's all thanks to you.

Thank you for being there for me and for so many other animals who need help. Your kindness truly changes lives—mine is living proof of that.

You rescued and cared for us.

When we were first rescued, we were so scared. We were weak, hungry, and didn't know if we'd make it. But then, everything changed because of you.

Thanks to your kindness, we received the medical care, food, and love we needed to grow strong and healthy. Every cuddle, every meal, and every gentle touch you provided helped us heal, and we felt safe for the first time in our little lives.

Now, we have warm beds, full bellies, and so much love—and it's all because of your support.

You gave us a second chance, and we'll always be grateful. Thank you for being our hero and for caring so much about animals in need.

These puppies thank you!

You made this happen.

In 2024, you helped support the pets in our community when their families were struggling.
